

Statement of Brook Hiddink: The Golden High Ticket

I, **Brook Hiddink**, founder of High Ticket (BERH Stores & Consulting Inc. - FZCO), make this statement to document a claim used in High Ticket's advertising: a "\$2,000 gift just for showing up" to the free workshop. The exhibits below are unaltered copies of the records described.

1. People who attend the free workshop receive the "Golden High Ticket" at the **end of the live workshop**. It gives them three items at no charge: (1) an e-book, "The Top 1,500 Most Profitable High Ticket Products to Sell Online"; (2) one month of free access to Supplier HQ, our supplier-research tool; and (3) a free mini-course on getting started with the One Order Away Method (Exhibit A).
2. Nothing has to be bought to receive the three items.
3. Where advertising describes the Golden High Ticket as a gift or bonus with a stated value, it refers to these three items, which are provided free of charge and are otherwise sold separately at their regular prices.
4. The items are current as of September 22, 2026. If the offer changes, this statement is re-issued.

I confirm that the statements above are true and accurate to the best of my knowledge and belief, and that the exhibits are unaltered copies of the records described, with personal and pricing details blacked out where noted.
